Harvest Survey

Submit this application by fax, mail, email, or in person.

Full Name: _____

Address: _____

Phone: Home: _____

Mobile: _____

Species: _____
(If multiple species please fill out additional surveys)

Sex: _____ Number Harvested: _____

Number of days hunted: _____

Location (indicate the location in the Kaska Traditional Territory):

Number harvested by hunting camp: _____

Number of days hunted by camp: _____

Hunting Party Size: _____

Transportation used and make/model/license plates (e.g. truck, ATV, boat, canoe/ Please specify all used):

All non-Kaska First Nation and licensed hunters are requested to complete this survey for the stewardship of wildlife in the Kaska Traditional Territory. In addition, this information will assist in managing the populations, reducing land use conflicts during periods of high cultural and traditional uses.

Report wildlife violations to the 24 hour Conservation Officer Hotline – 1-877-952-7277

(<http://www.env.gov.bc.ca/cos/rapp/form.htm>) and/or KFN Land and Resource Officer.

Please keep in mind that community will take meat that is not used; including hides. To provide meat from hunts, please call the Kwadacha Nation (250) 250-471-2302.
