**Hunt Information:** Please note that Kwadacha asks hunters **not to harvest bull moose during rut, in our Territory, due to their vulnerability during this time.** We also request that you **harvest only males**, for whichever species you pursue.

All non-Kaska First Nation and licensed hunters are requested to complete this application for the stewardship of wildlife in the Kaska Traditional Territory. In addition, this information will assist in reducing land use conflicts during periods of high cultural and traditional uses.
